

NOTICE

Subject: Summer Vacation Homework – 2026-27

Dear Students and Parents,

As we break for the summer holidays, we want to ensure our students stay curious and keep their brains active! Summer homework has been designed to encourage independent learning and creative thinking.

Important Guidelines:

- **Homework Availability:** Detailed assignments for all subjects have been **shared in the respective Class Broadcast Groups**. Please check your group messages and documents to Notebook the tasks.
- **Mobile Use Prohibited:** While the homework is shared digitally, the use of mobile phones or electronic gadgets to *complete* the assignments is **strictly not allowed**. We encourage students to use their textbooks, notebooks, imagination and uses of raw material which is easily available at home to complete their project work.
- **Neatness & Presentation:** All work must be completed **neatly and cleanly**. Presentation and legible handwriting are essential and will be part of the final evaluation.
- **Submission Policy:** All completed homework must be **submitted only after classes resume**. Students are expected to bring their work on the very first day of school.

A Note to Parents:

We request your cooperation in supervising your child's work while ensuring they remain away from screens. Let's focus on building a habit of self-study and neatness this summer.

Wishing you all a safe, restful, and productive summer break!

Warm regards,

Ms. Amita Dogra

Principal

Yashoda Public School, Satara
